Visual impact

## CONDITIONS OF ENTRY

Entry is free

Garments or Accessories must be made of trash or recycled materials

Sewing machine can be used in all categories. You may use thread, tape, glue, rivets, zips, fasteners, wire, Velcro, staples or any other material in creating your garment or accessory

Businesses may use used materials associated with the business and trash or recycled materials

All designers need to provide their own models to display their garment. Models must be available for a rehearsal at 6pm on Thursday 13<sup>th</sup> October.

Models can be male or female. No animals.

All garments and accessories must be wearable.

Be aware that the model will be required to negotiate stairs.

All garments must be original and not have been awarded a prize in any previous or similar competitions.

The dressing room area is restricted to one model and one support person.

Music can be provided by the contestants on a CD format with entry form.

Any garments or photos may be used for future publicity.
