

Welcome

Arts on the Rail Trail offer cyclists, visitors, locals and art enthusiasts the opportunity to view works by **Central Otago artists** all along the **Otago Central Rail Trail**.

Exhibitions will run for **12 weeks during February, March and April** in venues such as cafes, hotels, cycle shops and galleries from Clyde through to Middlemarch. Works will be available to purchase.

This event presents the opportunity for talented Central Otago artists to raise their profile and showcase their work to an extensive audience. **It encourages rail trailers to further explore our region, discover venues they may not have otherwise visited and enrich their experience on the great Otago Central Rail Trail.**

- We hope you enjoy the ride!

- **Golden Block Carpark, Alexandra;** 'Rail Trail Bird Girl'.
- **Alexandra BMX Park;** 'Aliens Beam up Cow'.
